

### Karamoja Prayer Requests - April 2006

**Future of the Diocese:** On the 22<sup>nd</sup> of May the church will elect a bishop for the new northern diocese of Karamoja. Please pray for wisdom and God's guidance through this process.

**Staff Roles:** The Rev Caleb Omwony began his post as joint Mission and Youth Co-ordinator on the 1<sup>st</sup> of April. Please continue to pray that God will equip and guide Caleb in this role.

Please pray for the Rev. Simon Akol Aisu and his family as he begins his post at the Diocesan Training Centre. Please pray also for the Christians in the Pokot Archdeaconry as they will be left without an Archdeacon.

**Diocesan Car:** The Diocesan car was involved in an accident last December. Please pray that the funds will become available for it to be repaired.

**Bishop Peter Lomongin:** Bishop Peter is still unwell after his bout of Malaria. Please pray that God will strengthen him and be particularly close to him.

**Rains:** Praise God that there have been rains in Karamoja and that people are now planting crops. Pray that these rains will continue so there will be a good harvest. Please also pray that Malaria will not be a significant problem due to the increased surface water.

#### **Please continue to pray for:**

Rev Joseph Abura (principal of the Diocesan Training Centre) and for the students at the DTC.

The young people of Karamoja as they share and grow in their faith. Pray that God will particularly encourage and guide Christians who have to leave their families communities in order to find work or look after their cattle.

The work of the Mothers' Union as they provide a voice for women and work to help families.

Education - that the children of Karamoja will be able to attend school and that the educational provision will increase.
